TO COUNTRY MERCHANTS.

I AM now receiving my Full Stock of *School Books, Paper* and *School Stationery*, and notwithstanding the great rise in price of many of the articles in my line, I shall continue to sell with few exceptions as low, and on many articles lower than heretofore. My price will be as near the New York figure as possible, and on some goods I will guarantee to sell as low. I can confidently assert that I can and will sell as low as any merchant in the city. My rent is now from $300 to $600 lower than that of any other Stationer, and my arrangements are such that I purchase my goods a little cheaper. It is useless to enumerate the articles of my stock. I have been in the trade in Milwaukee eight years, and know something of the wants of my customers.

My old friends, and new, will find me at 165 East Water St., up stairs, entrance on Michigan street.

It ERADICATES this heretofore incurable and distressing disease from the system, and STANDS UNRIVALLED IN THE PHARMACY OF MEDICINE.

We do not propose to make unqualified statements, so to *force a nostrum before the public*, but simply to request those most interested—THE SUFFERERS THEMSELVES—to procure from the Agent in their vicinity, a circular, and not only read the testimony of those who have experienced its invaluable curative powers, but also to write to, or call upon, the convalescents, so that the statement may emanate from the Fountain-Head, a source which will satisfy the most incredulous, and only by which the reputation of the REMEDY is certain of being sustained. Write also to the proprietors, who will accord every information, and furnish names of undoubted character from every section of the Union, numbering among them some of the most eminent Physicians, Clergymen, Editors, and prominent citizens, rendering the reliability and efficacy of the remedy beyond the reach of doubt or distrust.

THE STATE FAIR

Was brought to a close yesterday afternoon, by a neat and appropriate congratulatory speech from the President, Mr. EDGERTON, prayer by the Rev. Mr SPENCER, address by S. M. BOOTH and announcement of the premiums by the Secretary, Mr. INGHAM. After which the animals and various articles were removed from the grounds. There were many articles and animals on the ground which deserve more notice than we have been able to give them.

Fairbanks' Patent Scales, exhibited by B. H Chadbourne, Esq, attracted much attention. A fine specimen of the largest sized Platform Scales were set up on the ground, and were exceedingly useful in the weighing of live stock Also a smaller size, which was much patronized by the ladies Fairbanks' scales have distanced all competition by their accuracy, durability, neatness of finish and convenience, and have come into general use A model of the Ericsson engine, by Wm. Westlake, a very ingenious mechanic of this city, attracted much attention.

We noticed, also, among the exhibitors of live stock, many familiar faces, the owners of which do much to encourage such exhibitions. S. B. Edwards, of Troy, had some very fine swine, Durkee and Clapp, of Kenosha, cattle and sheep, J. S. Rogers, of Burlington, cattle and swine. White, of Madison, had a fine show of blooded stock, and our President and Secretary also were successful competitors.

There were many excellent specimens of stock and articles that took no premiums because there was no competition.

Geo W. Roberts, of Mt. Pleasant, had a very large and well-built mare, two years old. Lefevre & Greene, and Littell & Baker, of this city, had a very fine show of agricultural implements: of ploughs, J. C. Gridley, of this city, R. E. Ela, of Rochester, T. Potter, Platteville, T. Oliver Waupun, and Winchester & Dewolf, of Whitewater. W. D. Bacon, as usual, was on hand with his threshing machine, clover machine, straw cutter, and portable saw and grist mills, and took four premiums.

Among the curiosties were a pair of elks, by A A Hoyer, of Lake, and three Hungarian cattle by Wm. A. White of Madison.

But we have not time to enumerate the long list of articles we should like to notice, and have to cut short our thread to make room for the Premium List, to which we refer our readers for information.

The military were out on both days, and made a fine display, and the officers seemed to be on the best terms with themselves and all mankind.

The Firemen paraded yesterday afternoon, on the grounds, and excited much interest by the trial of their machines.

On the whole, the Fair has been a most successful one, and was probably attended by 20,000 persons. Nearly 11,000 entrance tickets alone, were sold on the first day of the Fair.

MICHIGAN *Whig Convention.*—The Michigan Whig State Convention, held at Marshall, on the 4th inst., adjourned after a short session without nominating a ticket. It wisely concluded to support the Republican ticket, and thereby defeat the Cass and Nebraska ticket.

☞ Ex-Judge Trumbull, Ex-U. S. Senator Breese, and Ex-Member of Congress McClernard, have all taken the stump against Douglas, in Illinois.

THE Whigs of Michigan, at their State Convention, the 4th inst., resolved to adhere to the Whig organization, but, for the present, to make no nominations.

IT is Nashville, Tenn., and not Louisville, as the *Telegraph* had it, that has recently elected a Know-Nothing Mayor, by 960 majority.

JUDICIAL.—The official returns from Jefferson Co. shows the following result:—Collins 1,099; Hood 503; majority for Collins 590.

D. D. COOPER announces himself as an independent candidate for the Assembly in the Fond du Lac district.

A REPUBLICAN Co. Convention was to be held at Centre, LaFayette Co., yesterday, (6th inst.)

MORE DEMOCRATIC HARMONY.—The Democracy of the Chicago District, (Ill.) met at Aurora, on Thursday last, to nominate a candidate for Congress in place of Mr. Wentworth, and as the Nebrascals and Anti-Nebrascals could not agree upon a candidate, each held a convention on their "own hook," and the result was, two candidates were presented for the suffrages of the "unterrified" of that District. The Chicago Tribune says:—"The Nebraskaites nominated John B. Turner of this city.—Mr. T. is President of the Chicago and Galena Union R. R., is a plain man, of good general knowledge, possesses a character without reproach, is very wealthy, and—so report says—is a confirmed Nebraskaite, and admirer of Judge Douglas.

The Anties or Dumb Democrats—so called from being strenuous advocates of the Baltimore Platform, which was to force eternal silence on the slavery question—nominated Mr. Zelotes B. Mayo of Sycamore, as their candidate. Mr M. is somewhat below a third rate lawyer, but is an active country village store-corner politician."

A RELIABLE SHEET.—The Wisconsin *Pinery* of the 3d inst., says:

The democratic Candidate for Gov of Iowa, Hall, is elected over his Whig competitor Clarke; the whole democratic ticket except Auditor, is carried; and worse than all for the 'hollerers,' Nebraska and Nonintervention was the question. The Legislature is pretty nearly balanced; no fears about defeating Hon. A. C. Dodge, for U. S. Senate after all.

This we premise is the first intimation that the people in this vicinity have had, that either Hall or Clarke was a candidate for Governor of Iowa at the late election in that State. The same paper has the news of Hood's election as Judge of the 9th Circuit. It is also spiced with various other rich and *reliable* items of intelligence, which shows its editor to be *admirably* posted up in regard to the political movements of the day. The Pinery man ought to take the papers

ILLINOIS ANTI-NEBRASKA CONVENTION.—This Convention, which met at Springfield on the 4th inst., concluded its business and adjourned on the following day, having unanimously nominated Hon. John E. McClum of Bloomington for State Treasurer.

The Chicago Tribune says the Convention throughout was harmonious, earnest and enthusiastic, and that the resolutions adopted breathe the *right spirit.*

THE N. Y. Tribune has an excellent article on "Fusion" in New York, in which it treats the Whig party as a thing of the past, thinks the Auburn Convention should have nominated Wood instead of Raymond, and that the cause of Temperance and Freedom has been damaged by the refusal to *fuse*, and hopes to see all the Free States organized, and moving forward under the Republican name.

THE last Wisconsin Pinery devotes but four articles to us. It must have a great many readers in that region who feel an interest in us.—The following is the concluding portion of one of its articles:—"What we admire is, to see the unblushing, shameless, brazen impudence with which the thing calling itself "Free Democrat," belches forth its treason against the authorities, government, laws, and constitution of the country that gives him protection.

Maine Election.

It appears, by full returns from this state, that Morrill, though lacking about 1,000 of an election by the popular vote, is sure of being its next Governor.

In the Senate the Morrill men have every member and in the House 60 majority over all others. There is but one Anti-Maine Law man elected to the legislature in the whole state.

In a poll of 90,689 votes the Anti-Maine Law candidate gets but 3,424 votes.

Five of the six members of Congress elected are Anti-Nebraska.

Balloting at the Waupun Convention.—On the informal ballot, Stoddard Judd received 10 votes, J. B. Macy 8, and G. Bouck 5. After that they balloted 14 times, and Judd received 12, 10, 12, 15, 12, 8, 15, 12, 9, 10, 7, 9, 4, and 0 votes; and Macy received 8, 9, 11, 9, 12, 12, 15, 17, 21, 18, 19, 18, 24, and 26; and Bouck received 8, 10, 9, 14, 11, 14, 11, 15, 15, 18, 19, 18, 17, and 18, when J. B. Macy was declared the nominee of the convention.

Local Matters.—The weather continues quite warm. We are in latitude 44-40 N, without a frost yet to cut the most delicate garden-flower. At the present writing the thermometer stands at 81° and no prospect of cold for a month.

The dry weather continues, though it has not affected the crops, which have all come in most bountifully.

Sales at the Stevens' Point Land Office, for the quarter ending Sept. 30th, '54, almost $82,000, besides Land Warrants, the great bulk of it Farming Land.—*Stevens' Pt. Pinery, 3d inst.*

WHEAT.—This article has greatly depreciated in value during the past two weeks. We are informed that all that is being paid now, is 58c for the best winter, and 70@75 for spring. —*Fond du Lac Herald, 5th inst.*

SLAVE CATCHING, *at Chicago.*—The Chicago *Tribune* of yesterday, says:

"We were yesterday informed, by a person whose authority is perfectly reliable, that there are now in the hands of the U. States Marshal a number of warrants for the arrest of fugitive slaves in this city, and that 'they *will be executed in spite of White Niggers or Black Niggers.*'

NOT LEFT.—The Chicago Tribune of yesterday, says, the Fugitive Slave, whom the Slave Catchers attempted to arrest in that city, on Wednesday, has not left that place, as it stated in its issue of the day previous, and does not intend to leave without a much stronger array of force is brought against him than any *posse* that the Marshal can probably procure.—He is prepared for the enemy.

Drowned.—As Charlie, son of John F. Vallee, was playing on a bridge across Turtle race, on Friday last, he fell into the water and was not discovered until about an hour afterwards, when his mother, impelled by anxiety on account of his prolonged absence, went in search of him and found him already dead.—*Beloit Journal, 5th inst.*

Many wells in town are becoming very low, and some have nearly, or entirely become dry. —*Beloit Journal.*

Potatoes in this region are not as good or abundant as usual. They are bringing from 40c to 50c per bushel. We saw a load of very fine ones last week sold for 48c.—*Beloit Jour.*

THERE were 56 deaths in Buffalo, last week.

The Russians have 34,000 men, and the Allies marched on Sebastopol by way of Semperpool.

The instructions to the allied troops show that an immediate rush was to be made on Sebastopol. The first encounter was expected on the 21st or 22d, unless the Russians advanced. Ships were cruising to intercept reinforcements for the Russians.

He fully confessed his crime, and delivered to Mr. Boyington a wallet containing $2,600 and and an elegant watch and seal he had purchased in Columbus.

He will be taken back to Boston for trial. He is a young man of prepossessing appearances, and about 24 years of age.

No. 153 East Water Street,

HARDWARE OF EVERY DESCRIPTION, CARPENTERS' and Coopers' Tools, Brittannia and Japanned Wares, Guns, Pistols, &c., &c.

I am in readiness to furnish Stove Dealers with Rathbone & Co's Albany Cook, Parlor and Box Stoves, at the manufacturer's prices, freight added.

I continue to sell the BROTHER JONATHAN COOK STOVE. I have sold them for the past three years. It has been thoroughly tested by thousands who will testify that it is the most complete Cook Stove that can be. There is a Summer Attachment to the Stove which will make half difference less in the AMOUNT of fuel used in the summer season, and does away with all unnecessary heat which other stoves make that have not the attachment. The oven is much larger than any other stove of the same size furniture. I warrant the Stove to give complete satisfaction; if not, to be returned, and money refunded. I will refer you to hundreds of the citizens of Milwaukee who are using the Stove.
